To Whom It May Concern:

I have had the privilege of knowing Wesley for over 15 years. I have watched him grow from a college student, where he was an intern in my youth ministry, to a husband, minister and dad. His passion to see people come to know Christ and grow in that relationship is amazing.

He has a great ability to connect with people where they are and help them move to where they need to be. Wesley is creative in his use of technology to connect with today's generation. He is a lead worshiper and can create environments where people connect with God and each other.

We have partnered together on youth events to help connect our students together and serve our communities. We have even served on the mission field together by taking adults and students to the Dominican Republic over the span of 2 years. We worked at a children's home to put on a vacation Bible school and do service projects (painting, building, cleaning, etc.).

His planning, budgeting and administrative skills helped to build a successful youth program through the 11+ years that he has served at Oakleaf. His relational skills have allowed him to continue to speak truth into the life of former students well into their adult age.

His heartbeat is the same as Jesus, Love God and Love Others. I would highly recommend my friend and partner in ministry for the lead position you have at your church.

Sincerely yours,

Rev. Ryan Raymond
